(Scene 1)

INT. NICO'S BEDROOM (or LIVING ROOM)

Ryder sits alone in the room. Sitting straight up, smiling. Grant walks in with Nico and they both sit down on opposite sides of him. Chatting closely.

GRANT

Are you all ready to go?

RYDER

Yes, I believe I am. It seems I have provided all the pleasure I can here, and can be better utilized elsewhere.

NICO

Utilized... sounds so sexy.

Grant laughs and touches Ryder in a flirty gesture.

GRANT

Too bad... I never got a chance to "utilize" you.

RYDER

Given past events... Nico felt it could complicate things.

NICO

Yeah, I guess that's my fault. I didn't want to ruin what we had going on.

GRANT

Well, just so you know... I'm not the jealous type! Whether it's an open relationship... or a synthetic sexbot... I'm cool with it.

They laugh, then Nico perks up.

NICO

Woah, wait. Did you just... say relationship?

GRANT

You'd prefer 'boyfriend'?

RYDER

Is this finally official?

Nico looks at Ryder, then back at Grant...

NICO

Did we just become a thing?

GRANT

Seems like we did. You okay with that?

NICO
Very okay!

The two lean across Ryder to kiss. He watches. They laugh then separate. Grant puts his hand on Ryder's leg.

GRANT
You know... I wouldn't mind giving this guy a whirl before we have to give him back... if you want?

NICO
We should still have some time...

Knock at the door

NICO (cont.)
Or not...

GRANT
Damn!

(Scene 2A)

INT. LIVING ROOM

Nico gets up to answer the door, he greets Derek, who's dressed in his lab coat and collared shirt, as he enters. Ryder and Grant approach to greet him.

DEREK
Sorry, I'm a little early.

NICO
No worries! We were just considering one last "test" before Ryder had to leave. But it wasn't meant to be.

GRANT
It's okay. I was just curious how he felt.

DEREK
Honestly... I did test him out a little during development. He gives a great blowjob.

RYDER (to Grant)
Would you like a blowjob?

GRANT
You gotta go, big guy.

DEREK
I could come back in a bit? I don't mind.

RYDER
Based on the elevated heart rates I'm sensing from everyone in this room, the sexual attraction is mutual for all of you.

NICO
Awkward...

GRANT
He can do that??

DEREK
What a great time to learn a new feature!

RYDER
I am designed to provide male pleasure.

NICO/GRANT/DEREK
We know!

Ryder smiles at them. They all look at each other with a laugh, then lusty thoughts. Nico looks at Grant, he nods yes.

NICO
Why don't you stay and join us, Doctor.

GRANT
In the name of science.

DEREK
It would be irresponsible not to continue testing our prototype, wouldn't it?

GRANT
Let's do it!

RYDER
Let's go out with a bang.

(Scene 2B - SEX)

The guys converge. Ryder is generally the center of attention with Grant and Derek getting hands on Ryder early on. As it goes, Ryder/Derek and Nico/Grant become focal points but everyone should be in everyone at some point. Group facial on Ryder to finish?

ACTION: 5+ min Foreplay (Undressing, kissing, body contact, stroking). 6+ min (each) Blowjob. 4+ min (each) Rimming. 18+ mi Sex - (6+ each sexual position / at least 3 positions).

(Scene 3 - Goodbye)

INT. LIVING ROOM - LATER

The guys are dressed and standing at the doorway.

DEREK
Well, I guess it's time to go.

Nico stands face to face with Ryder. He goes in for a hug then steps out to look at him.

NICO
I know you don't have feelings, but having you here has been a big deal for me.

Nico steps and puts his arm around Grant's waist. Smiling at him.

NICO (cont)

A fresh start that never would have happened if not for you.

RYDER

I am glad I could help.

(Wipe a tear away to show human emotion?)

DEREK

Let's go Ryder. See you guys later.

He leads Ryder out and shuts the door.

Nico and Grant are left behind, they close together for a hug.

NICO

It's just you and me now..

GRANT

Can't imagine anyone I'd rather be with.

NICO

There's a 5pm showing of Android Annihilation 2.
Wanna go?

GRANT

Heck yeah I do!

NICO

Let's get cleaned up! We gotta get there early. I want popcorn!

GRANT

Extra butter this time!

NICO

Extra? Nasty! But for you... maybe.

They exit with a smile.

FADE TO BLACK.
